

Klas Officers meeting notes 01.29.2026

Officers Missing- AnnaMarie and Maureen

Celebration and successes-

Josh- Finished their prenatal acknowledgement forms. They are also working on their end of the year and beginning of the year stuff. Working on their summer reading program stuff.

Anna- Not here

Drea- Klas has been busy with implantation in NY School for the Blind and Drea has been busy doing several demos.

Maureen- Josh shared on Maureen's behalf that the Florida Department of Education has released their Florida symbols coloring book, and she helped facilitate an accessible version- braille with raised lines, and to be recorded.

James- They have been busy working with prenatal acknowledgement forms for NLS. They have wrapped up over 700 juvenile records. They have also been working a lot on cleaning their system up.

Committee reports

KDAC- NLS reports need to be brought up in the next meeting.

Program- Mini conference topics due @10am Feb 3rd.

Logistics- In April Drea is working on a site visit for the 2027 KLAS User conference in Worcester MA. Mini Conference will be in May. Logistics will launch in the summer.

Vendor Calls- No reports at this time.

Keystone- No major reports at this time.

Old business- Klas site went down due to an update but they have been working to get all the information back up on the site that was lost. This is the reason on some of the forum posts that you or someone else made it looks like Katy posted them because she has been working on getting the information lost back up.

New business-Next meeting will be on 02.26.26
