### **Notes:**

*Calculation from the individual reports:*

*Run Circulation report for the period for each medium, (B, BRP, DB, DS) and then, for the carts( br-cart, db-cart, ds-cart) to get the count to subtract.*

*Physical Braille Volumes mailed out: [total tracked check outs minus br-cart check outs]*

*Patrons receiving physical braille: [total tracked patron check outs minus br-cart patrons]*

*Electronic circ=BARD downloads*

*Duplication items =individual Titles duplicated*

*Patrons receiving Duplication: (should always match the "# patrons tracked Check Out" from the BR-CART report)*

*Physical books: 21,263*

*Patrons receiving physical books: (patrons tracked checked out from the DB report, minus patrons tracked checked out on the db-cart report )*

*Total Checkouts (a mix of # cartridges, plus physical volumes, plus electronic and duplicated titles)*

*Overall Patrons for Checkouts (a count of unique patrons that received anything braille, regardless of how it got to them): 559*

*Note: BRP-Physical Braille Serials=newsletter count.*
